

CRITICAL INFORMATION SUMMARY:

Bonded DSL

Information About The Service

Westnet Bonded DSL combines two business broadband lines to create one super-fast connection, available only on our national high-speed broadband network. It's ideal for users with slower connections due to line quality and distance from the exchange.

Requirements & Availability

You'll require an existing Business Naked DSL or Business On-Net Bundle plan, as well as a second physical line into the premises. Our Business Team can help arrange installation.

You'll also require a modem capable of supporting Bonded DSL, which Westnet can provide you for an additional fee.

Availability can be checked using our online coverage checker at www.westnet.com.au/internet

Minimum Term

No contract terms are applied to Bonded DSL.

Information About Pricing

Monthly Charges

Bonded DSL is charged at \$99 per month.

This fee does not include the cost of your existing Business Naked DSL or Business On-Net Bundle.

Excess Usage

Usage limitations are based on your existing Business Naked DSL or Business On-Net Bundle. The Bonded DSL service does not include any separate quota allowances.
