

CRITICAL INFORMATION SUMMARY:

Combo

Information About The Service

Westnet Combos include a range of our most popular products, along with a great monthly discount. It's everything you need – your broadband, phone (including all your local & national calls), hardware, security and your choice of Fetch TV or Mobile. What's even better, is any eligible Off-Net plan included in a Combo receives Anytime quota.

Requirements & Availability

Combo's are only available with a minimum range of products, as listed in the table below. All plans below can be upgraded, at an additional cost to your Combo. Please see the respective product pages on the website for product specific detail. View the full list of plan eligibility at www.westnet.com.au/combo/terms/

Product	TV Combo	Mobile Combo
Broadband	ADSL2+ Home-2 200GB or Off-Net Home-2 Turbo 60GB	
Phone	Phone 3 Residential	
Mobile Voice	N/A	Mobile Voice 1
Fetch TV	Fetch TV Starter	N/A
Hardware	BoB2 Rental or Wireless Bridge	
Security	Protection Pack	

All included products can be upgraded, and the price of the Combo simply increases by the added price of that plan. For example, Fetch TV Starter is a \$10 plan and is included in the \$99 TV Combo, while an upgrade to \$20 Fetch TV Entertainment will increase your monthly Combo price to \$109.

ADSL availability can be checked using our online coverage checker at www.westnet.com.au/internet

Minimum Term

A Combo is only available when you contract your Broadband for 24 months. Standard 24 month agreements also apply to Fetch TV Starter and BoB2 Rental, should those products be included in your chosen Combo.

Standard setup fees for Phone may apply, and are detailed at www.westnet.com.au/phone/home/terms

Cancellation Fees

Breaking your Combo (by changing to an ineligible plan or removing a required product) will result in cessation of your monthly Combo discount from that point forward. There isn't a contract break fee for the Combo itself.

Individual contracted products included in the Combo however, such Broadband, Westnet TV Starter, and BoB2 Rental, do have early cancellation fees that would apply if you cancel those individual products.

- The maximum applicable break fee for cancelling ADSL1 Broadband with phone is \$243 within the first 6 months
- The maximum applicable break fee for cancelling Fetch TV is \$430 between the first 22 days to 6 months after service activation
