

Critical Information Summary:

Mobile Voice - \$49.99 SIM Only Plan

Information About The Service

Westnet Mobile Voice is a post-paid 'SIM-only' mobile phone service that supports 4G technology - you'll need to bring your own mobile phone handset. A minimum term of one month applies to Westnet Mobile Voice services.

What's Included

All standard calls to Australian landlines and mobiles, all standard SMS and MMS to mobiles, \$300 included value for international calls and 9GB of included data each month.

Your monthly included value for standard calls and messaging can be used within Australia for standard national voice calls, national video calls, standard SMS and MMS to numbers in Australia and overseas, calls to 1300/13 numbers, voicemail and national diversions. Calls to 1800 numbers are not charged. Unused value and data will expire at the end of each monthly period.

Your monthly included value for international calls can be used within Australia for standard international calls to landlines and mobiles.

What's not Included

Your monthly included value for standard calls and messaging cannot be used towards international voice including calls to fixed lines or mobiles, calls that switch/divert or re-route overseas, international diversions, international roaming, international video calling, 124 YES (937), content packs (unless specified in promotions), directory assistance, premium calls/SMS/MMS, VOIP services and usage, and 19XX services.

Your monthly included value for international calls cannot be used towards calls that switch/divert or re-route overseas, international diversions, international roaming, international video calling and international SMS and MMS.

Some services may not be available on all handsets. Please contact your handset supplier or manufacturer's website for details.

Minimum Term

There is no minimum term. Your only commitment is the 'one month rolling contract' in paying the next month's rental in advance.

Information About Pricing

Plan Name	Monthly Included Value for Standard Calls & Messaging	Monthly Included Value for International Calls	Monthly Included Data	Monthly Charge	Total Minimum Price (incl \$10 SIM charge)	Excess Data
\$49.99 Plan	All Included	\$300	9 GB	\$49.99	\$59.99	\$10 per GB (or part thereof)

Total Minimum Price is calculated as \$10 SIM charge (including delivery) plus one month of Westnet Mobile Voice plan.

If you use more than the monthly inclusion of calls, texts or data, or you use other services that are not part of the monthly inclusion you will incur charges above the monthly charge.

- Westnet Mobile features a number of spend management tools, including usage notifications and sub-limits for various transaction types.
- Westnet reserves the right to restrict services once monthly billings are greater than \$200

Please be aware that billing information is not received instantly by Westnet after the usage charge has been incurred. This delay means that spend limits can be out of date by the time they are applied. You are still responsible for all charges incurred due to usage beyond the spend limit.

Excess Data Blocks

Any excess data usage above your monthly inclusion will automatically be charged at \$10 per GB (or part of a GB). If you exceed your monthly data inclusion by 10GB, we may continue to charge you at the same rates or restrict your data use until the next billing period.

Setup Fee

An Westnet Mobile SIM is required in order to use the service.

- A \$10 charge applies for a Westnet Mobile SIM (either standard, Micro, or Nano SIM); this includes delivery in Australia.
- You can either port an existing Australian mobile phone number to your Westnet Mobile service or we can allocate you a new number.

Early Termination Charge

The Westnet Mobile service has no early termination charges.

Other Information

Call and Data Usage Information

Westnet Mobile customers can obtain information:

- On Westnet Mobile usage pricing at <https://www.westnet.com.au/mobile/>
- On their Westnet Mobile usage at <https://myaccount3.westnet.com.au>

International Roaming Costs

Using your mobile phone overseas attracts significantly higher rates than standard Westnet Mobile charges:

- All call and data charges while roaming are excluded from your monthly included value amounts.
- Charges apply to all data sent & received.
- Charges also apply for both making and receiving calls when roaming overseas.

While you are roaming overseas, usage details may take days or weeks to reach Westnet, meaning you may not receive timely usage warnings. Regardless, you are responsible for all charges made on your service when overseas. More information can be found at <https://www.westnet.com.au/mobile/international-roaming/>.

Fair Usage Policy

We've partnered with Optus to deliver the Westnet mobile service and the Optus Fair Use Policy applies to your use of the Westnet mobile service. The Optus Fair Use Policy can be found in the mobile voice service description at <http://www.westnet.com.au/legal/>.
