

Critical Information Summary:

Business Phone

Information About the Service

iiNet Business Phone is a traditional landline telephone service – it's simple, hassle-free, comes with competitive call rates, and great benefits when you bundle it with an iiNet Business Broadband plan.

Requirements & Availability

You will need a standard telephone handset (approved for use in Australia). iiNet Phone service is not sold standalone, and is only available bundled with an iiNet Broadband plan. iiNet Business Phone can only be bundled with Business Broadband services. iiNet Business Bundle Phone is only available bundled with iiNet Ultimate Business Bundle or iiNet Value Business Bundle.

Minimum Term

No minimum term applies for iiNet Business Phone services. You should note that an iiNet Business broadband service that is acquired with a Phone service may have a minimum term.

Included Features

Along with great bundling benefits when you combine Broadband & phone, all iiNet Phone services include a range of great features. More features are available at an additional cost, with more detail at iinet.net.au/phone/home/features.
