Critical Information Summary:
iiNet ULTRA Cable

iinet
connect better

About the Service

The iiNet Ultra Cable service is a residential broadband internet service which uses Hybrid Fibre-Coaxial Cable to deliver fast broadband speeds within Mildura, Geelong and Ballarat.

iiNet Ultra Cable plans include the following components:
- Unlimited data
- Cable Phone service ("ULTRA Phone") with Local and Standard National Calls

Early Cancellation Fees

- As this product is provided on a no lock-in contract, there are no early cancellation fees if you choose to cancel.
- However, please be aware that cancelling your Broadband service will also result in a cancellation of any other iiNet products you've purchased that are only available when bundled with an iiNet Broadband service (such as Fetch or VOIP Call Packs). Should those products have their own contract, you will be liable for their associated break fees.

Minimum Term

iiNet Ultra Cable plans are available on a no lock-in contract. You may cancel at any time.

Plans Details

Plan Name	Typical Evening Download Speed^	Typical Evening Upload Speed^	Monthly Included Data	ULTRA Phone Included Calls	Monthly Charge	Total Min. Charge#
ULTRA Cable50	50Mbps	17Mbps	Unlimited	Local & Standard National (Landline only)**	$69.99	$69.99
ULTRA Cable100	100Mbps	34Mbps	Unlimited	Local & Standard National (Landline only)**	$74.99	$74.99
ULTRA Cable250	250Mbps	40Mbps	Unlimited	Local & Standard National (Landline only)**	$79.99	$79.99
ULTRA Cable Max	800Mbps	40Mbps	Unlimited	Local & Standard National (Landline only)**	$89.99	$89.99

- #Total Minimum Charge on no lock-in contract is one month of plan fees.
- **Cable Speeds:** ^Typical evening download speed is measured between 7pm-11pm. Typical evening upload speed is estimated by reference to the maximum upload speed for the plan. Actual throughput speeds may be slower and could vary due to various factors including customer cabling and equipment, download source, and line length. Actual speed upon installation will be in the following ranges (download/upload): 45-50Mbps/16-20Mbps for Cable50; 70-100Mbps/20-40Mbps for Cable100; 200-250Mbps/20-50Mbps for Cable250; and 251Mbps-1Gbps/20-50Mbps for Cable Max. Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable. For more information, visit **www.iinet.net.au/cable**
- iiNet ULTRA Cable plans include unlimited monthly data and are not subject to excess data usage fees or restrictions.
- **** Call charges:** Calls that are not included in this service (i.e. mobile, international and 1300 calls) will be subject to extra charges.
- Any cabling that is required in your premises beyond the Network Boundary Point is your responsibility. Standard installations are completed without charge to you. Non-standard installations may require you to pay additional charges.

Availability

iiNet ULTRA Cable is only available in Mildura, Geelong and Ballarat areas that are serviced by Vision Network's Hybrid Fibre-Coaxial Cable network. Use our address checker at **www.iinet.net.au/home** to confirm Cable availability at your address.

Further information: www.iinet.net.au/cable

Required Equipment

- A technician appointment is required to install any required ULTRA Cable equipment at your address. The technician will supply you with an ULTRA Cable ready modem (which is WiFi and VoIP enabled) on the installation date. You require this modem to use your Cable and ULTRA Phone service. Third party modems are not supported.
- You or an authorised person over 18 years of age will be required to be home on the day of installation for a technician visit. We will advise you of the date and time after registration.
- You will also need to supply your own standard phone handset (approved for use in Australia) to use your included ULTRA Phone service.

Call Charges

Local Calls to Landlines in the same area code	Standard National Calls to Landlines	Calls to Australian Mobile^	International Calls^^	1300 & 13
Unlimited	Unlimited	29c/min	From 5c/min	30c/call untimed

- ^Calls to Australian Mobiles are charged per 30 second block. A standard national mobile call incurs a per minute rate of $0.29. A 2 minute standard national mobile call will cost $0.58.
- ^^International rates vary by destination, see full list of rates: **www.iinet.net.au/phone/netphone-voip/international/**. Call charges are assessed with a minimum duration of one minute, and then on a per second basis thereafter.
- iiNet ULTRA Phone services include the following features:
    - 3-Way Calling
    - Call Barring
    - Call Waiting
    - Calling Line ID Blocking
    - Call Forwarding
- No flagfall charges. Acceptable Use Policy applies: **www.iinet.net.au/about/legal/cra/iinet-group-acceptable-use-policy.pdf**
- Please note some destination countries are blocked by default due to high fraud risk and can be unblocked by calling iiNet. Refer to: **www.help.iinet.net.au/high-risk-call-blocking-explained**
- Not all call types are supported. Calls to 19/1900 numbers, International special services numbers (e.g. toll-free and premium numbers) and calls to satellite phones are not included.

Optional Call Packs

- Call packs can be added to ULTRA Phone (Cable). For further information go to **www.iinet.net.au/cable**.
    - Mobile Call Pack (unlimited calls to Australian mobile numbers) for $10 per month.
    - International Call Pack (unlimited calls to standard international landlines in our top 20 international destinations*) for $10 per month.
- *International Top 20 destinations: UK, Germany, Hong Kong, Canada, USA, France, Netherlands, New Zealand, Singapore, Ireland, China, South Africa, South Korea, Indonesia, Italy, Japan, Malaysia, Sweden, Switzerland and Taiwan. Standard international call rates apply to calls to other countries.
