

# Critical Information Summary: BizPhone Business Phone System

## Information about the Service

### Service Description

iiNet BizPhone is a voice technology service that is supplied over your internet service. The internet service may be supplied by iiNet or by another service provider.

### Minimum Service Term

The BizPhone service is available on a 0, 12 or 24 Month contract terms.

### Early Termination Fees

If you cancel the service before the end of your contract term, Early Termination Fees (ETFs) will apply. ETFs are calculated as the monthly charges multiplied by the balance of the contract period, capped at 6 months' worth if you are on a 12-month contract, or 12 months' worth if you are on a 24-month contract. If the handset is not returned within 30 days of your service ending, or is returned faulty, a fee will apply. At the date of this Order, a fee of \$179 will apply to each Standard or Cordless handset, \$399 for each Premium handset, \$49 for 2 port ATA and \$129 for 4 port ATA but this is subject to change.

### Requirements and Availability

BizPhone requires fixed broadband service and a wired Ethernet port. A BizPhone handset is required unless you are on a Softphone plan. Each BizPhone requires a minimum of 100kbps of uncongested upstream and downstream bandwidth for optimal quality call. To take advantage of the video calling and video meeting features of the Softphone plans, 2-3Mbps of bandwidth of each concurrent video call for optimum quality is recommended.

### Included Features

BizPhone plans include handset rental (except any of the Softphone plans), a direct-in-dial geographic number (DID number), unlimited standard local and national calls, unlimited standard calls to Australian mobiles as well as a range of included features such as voicemail-to-email, call waiting and others. Acceptable Use Policy applies to included calls. Optional extras and their prices are available at: [iinet.net.au/business/bizphone](https://www.iinet.net.au/business/bizphone)

### Optional Equipment, User Software and Features

A selection of optional equipment, features and user software are available, such as headsets, Hunt Groups, Auto Attendants, Receptionist Application and more. Prices will depend on the options you select, see [iinet.net.au/business/bizphone](https://www.iinet.net.au/business/bizphone) for more information.

### Exclusions

BizPhone plans do not support 19/1900 number calls, fax, dial up modem or other analogue data calls (e.g. EFTPOS, HICAPS), back to base alarms and other monitoring systems using phone lines, and similar features. BizPhone is not available for telemarketing, call centre function and similar uses.

### Customer Service Guarantee Waiver

The standard Monthly Charge and Setup pricing stated in the Information about Pricing section are based on new customers agreeing to waive the Customer Service Guarantee ( which will apply to BizPhone in certain circumstances). If a Customer Service Guarantee applies to the service you are ordering, a waiver will be set up in your Order Form. You will need to agree to waive this guarantee before we can supply you a BizPhone service.
