

Critical Information Summary:

iiNet Business Cable

Information About The Service

The iiNet Business Cable service is a broadband internet service which uses Hybrid Fibre-Coaxial Cable to deliver superfast broadband speeds within Mildura, Geelong and Ballarat.

The iiNet Business Cable plan includes Netphone at no additional cost, offering great call rates and call inclusions. The Critical Information Summary for Netphone is available at www.iinet.net.au/about/legal/cis/cis-voip.pdf

You may add on a BizPhone service from \$29.95/month and enjoy an iiNet supplied BizPhone handset and included unlimited standard calls to Australian mobiles and landlines. The Critical Information Summary for BizPhone is available at www.iinet.net.au/about/legal/cis/cis-biz-bizphone.pdf.

Requirements and Availability

The iiNet Business Cable is only available in Mildura, Geelong and Ballarat areas that are serviced by our Hybrid Fibre-Coaxial Cable network.

You will require a coaxial-compatible modem, which will need to be WiFi and VoIP enabled if you want to connect wireless devices and make use of your included Netphone service. iiNet provides a suitable WiFi and VoIP enabled modem for \$0 with any new Cable order (with a \$10 delivery fee).

Minimum Term

The iiNet Business Cable plan is available on either no lock-in contract.

Included Features

There are a range of value-added features included with iiNet Business Cable plans, with further detail at www.iinet.net.au/business/internet-product/fibre/cable

Unlimited Data	10 email addresses	Local and standard national calls included with Netphone
	No Excess quota usage charges	Priority Business Support

Information About Pricing

Monthly Charges

Cable Special Offer: Sign up to a no lock-in contract and receive a 50% discount on the monthly fee for the first 12 months. Business Cable200 Broadband will be charged at only \$39.99/month for the first 12 months, \$79.99/month thereafter. This offer is only available to new customers and may be withdrawn at any time.

Plan Name	Typical Evening Speed*	Monthly Included Data	Included Calls	Min & Max Monthly Fee	Total Min Charge (No lock-in contract)
Business Cable200 Broadband	200Mbps	Unlimited	Local & Standard National	\$79.99	\$109.98

*Typical evening speed indicates download speed and is measured between 7pm-11pm. **Cable speeds:** Actual throughput speeds may be slower and could vary due to various factors including interference, customer cabling and equipment, download source, and line length. Cable has an upload connection speed of up to 20Mbps. For more information, visit www.iinet.net.au/business/internet-product/fibre/cable

Further information: www.iinet.net.au/business/internet-product/fibre/cable

Information is current as of 18/09/2019, is subject to change without notice and all prices quoted include GST Page 1 of 2

- The Total Minimum Charge on a no lock-in contract is the standard setup fee (\$59.99) plus one month of plan rental at \$79.99 plus \$10 hardware delivery fee.

Setup Fee

The below setup fees are applicable when signing up to a Cable plan for an installation.

Connection Type	Details	Description	Charge (No lock-in contract)
Standard Installation	Activation Fee	Includes connection of Cable to a single wall-socket in the premises.	\$59.99

Any cabling that is required in your premises beyond the Network Boundary Point is your responsibility.

Excess Usage

iiNet Business Cable provides unlimited downloads and uploads. No excess usage charges or shaping apply.

Cancellation Fees

- There are no cancellation fees on no lock-in contracts.
- Cancelling your Cable service will also result in a cancellation of any other iiNet products you've purchased that are only available when bundled with Cable. Should those products have their own contract, you will be liable for their associated break fees.
