

Critical Information Summary: Business Naked DSL

Information About the Service

Business Naked DSL allows you to experience the benefits of ADSL2+ speeds on the iiNetwork, without the cost of line rental.

Business Naked DSL includes Netphone (VoIP) at no additional cost, offering great call rates and call inclusions depending on your plan of choice. The Critical Information Summary for Netphone can be found at www.iinet.net.au/about/legal/cis/cis-voip.pdf.

Requirements & Availability

You will require an ADSL broadband modem to connect your service. If you don't already have one, iiNet can sell you a suitable device at additional cost or sign up to a 24 month contract and iiNet will include a WiFi modem for \$0. A \$10 delivery charge applies to all orders. More information at www.iinet.net.au/business. To make use of your Netphone service, you'll require a VoIP-enabled modem and handset.

Naked DSL availability can be checked using our online coverage checker at www.iinet.net.au/business/internet-products-broadband/naked-dsl
