

Critical Information Summary

iiNet SIM Only Mobile Plans

Information About The Service

Service Description: iiNet SIM Only Mobile Plans are prepaid month to month mobile services with the specified included usage and included data, supplied using the Vodafone mobile network. All inclusions are for use in Australia.

iiNet mobile plans are paid each month in advance and automatically renew every month until you cancel. Recurring charges are payable monthly in advance, seven days before the start of the next billing cycle. Payment options are Direct Debit or Credit Card.

Minimum term: Your plan's monthly bill cycle starts when you activate your SIM. Moving forward, your mobile plan will automatically renew every month, and your plan fees will be invoiced seven days before this day. You can cancel the Service at any time by calling Customer Support. Subject to your consumer law rights, if you cancel your mobile plan part way through your billing cycle you won't receive a refund of your plan fees for a partial period or for any unused Prepaid Balance.

Bundling Arrangements and Mandatory Goods

You are not required to bundle this service. It is not a requirement that customers acquire handsets or other equipment from iiNet. However, you must have a compatible mobile phone to be able to use this service.

Excluded Usage

You can make additional prepayment (Prepaid Balance) if you wish to make any excluded calls or usage that will incur excess charges. Minimum top-up is \$10. See Call and Other Usages Rates below for a pricing summary of key usage types. For full rates and a complete understanding of Inclusions & Exclusions, visit iinet.net.au/mobile-callrates

Extra Data: These plans have a specified amount of Included Data each monthly billing cycle. If at any time in a billing cycle you use up the amount of Included Data, we will charge \$10 out of your Prepaid Balance to increase the amount of Included Data available in that billing cycle by 2GB. If there are insufficient funds in your Prepaid Balance, mobile data will be unavailable until your Prepaid Balance is topped up or until your next billing cycle commences.

Coverage and Speeds

A 4G/5G [approved device](#) is required for these plans. 5G network access requires a 5G approved device within our 5G coverage area. 4G network access requires a 4G/5G approved device within our 4G coverage area. See iinet.net.au/mobile/coverage for further information.

Mobile Data is capped to a maximum speed of 150Mbps or 250Mbps (depending on your chosen plan). These speeds are maximum potential speeds that you may get access to and the speed you experience may be slower. The quality and availability of some services and the speeds you reach will continually vary depending on many factors such as your location, your device capabilities, available bandwidth, source of download, network congestion, network coverage or if you are roaming. International Roaming: International Roaming is automatically activated for services connected on or after 29 November 2023. You can deactivate or manage your roaming settings by logging in to toolbox3.iinet.net.au or by calling +61 8 7210 2363.

International Roaming is not included in your plan, and roaming charges are in addition to your Monthly Plan Fee. Where roaming is available, calls, SMS, MMS, and data usage are charged to your Prepaid Balance (if available) on a “pay as you go” basis at significantly higher rates than in Australia. You can find the list of Eligible Destinations and Roaming Rates at help.iinet.net.au/iinet-international-roaming-rates

If you wish to use International Roaming, it is recommended that it is turned on before leaving Australia. If you need to turn on International Roaming after leaving Australia, please call us on +61 8 7210 2363 from any phone. We highly recommend that you disable Mobile Data in your device settings to ensure that you do not incur unexpected and high data usage fees whilst roaming. It may take up to 48 hours for international roaming usage to be shown in Toolbox.
