

Critical Information Summary:

Dialup

Information About The Service

Access the internet from anywhere you can find a phone line – no fixed locations or coverage areas. Just plug in your modem and ‘dial up’ our national access number to get online.

You can even save \$10/month on our dialup plans when you bundle with Westnet Phone.

Requirements & Availability

To connect to dialup you’ll need a basic telephone service. You can use a suitable telephone service from another provider and pay the standard pricing, or you can use an Westnet Phone service (from \$29.95 per month) and receive \$10 off the monthly cost of your dialup plan.

You will require dialup modem to connect (either an external modem, or some computers come with an internal modem).

Minimum Term

No monthly terms apply to Westnet dialup services.

Included Features

There are a range of value-added features included with Westnet Dialup, with further detail on the website;

Email Protection	1GB Webspace	5 email addresses
No cutoff times	No excess quota usage charges	24/7 customer service
