

CRITICAL INFORMATION SUMMARY:

Business Voice

Information About The Service

Business Voice is a state of the art phone package offering handsets designed to improve efficiency & performance, while benefitting from great call rates, and a scalable solution that can grow along with your business.

Requirements & Availability

As Business Voice is not sold standalone, you'll require an existing Westnet Business Naked or Business Bundle service.

You'll also require a Westnet approved handset (included in all Business Voice packages), along with direct Ethernet cabling between each phone.

Minimum Term

Business Voice plans include the rental of a business telephone handset on a 24 month contract.

Included Features

Business Voice offers a range of great features;

All local & national calls included	Feature rich solution – HD Voice	Range of included Call Features
