4G Mobile Broadband Plan 7GB	7GB	\$45	\$65	\$6.43
4G Mobile Broadband Plan 10GB	10GB	\$60	\$80	\$6.00

- As there are no contract terms applied, the Total Minimum & Maximum cost of the service is as above.

### Excess Usage Charges

if you use more than the monthly inclusion of data – and/or you use other services that are not part of the monthly inclusion – then you will incur charges above the minimum monthly charge

- The Excess usage charge on 3G mobile Broadband Services are 5c/mB
- The Excess usage charge on 4G mobile Broadband Services are 2c/mB

3G billing records are available via toolbox within 20 minutes of usage. Please be aware that billing information is not received instantly by iiNet on 4G, and in some cases can be delayed by several days after the usage charge has been incurred. This means that spend limits can hence be out of date by the time they are applied.

You are still responsible for all charges incurred due to usage beyond the spend limit.
