- 6.2 We will provide the Naked DSL Service to the Network Boundary Point.
- 6.3 You are responsible for all wiring at your Premises. Where wiring does not exist or you have a fault with your wiring, you must arrange for your own contractor to perform the work required to install or fix this wiring.
- 6.4 We will make reasonable endeavours to ensure your Cutover occurs at the nominated time; however events beyond our control may cause delays in some cases.
- 6.5 We will make reasonable endeavours to ensure Service Activation of your Naked DSL Service occurs within 24 hours of Cutover; however events beyond our control may cause delays in some cases. We will notify you of Service Activation at the email address or via SMS to the mobile number provided by you in your Application.
- 6.6 We provide a Naked iiTalk/Netphone Service with the Naked DSL Service. The Naked iiTalk/Netphone Service is a VoIP service as described in our Phone Service Description. The fees for the Naked iiTalk/Netphone Service are outlined in the Pricing Schedule.

Applying for Naked DSL with a working phone line

- 6.7 Your telephone line, and all services and features associated with this telephone line, will be disconnected at Cutover to the Naked DSL Service.

- 6.8 You agree that any action, claim, proceedings, liability, loss, damage, cost or expense that may arise or you may suffer in relation to the service provided to you prior to connection of the Naked DSL Service will be between you and your previous service provider.
- 6.9 When you request your telephone number to be the number of the Naked iiTalk/Netphone/Business Netphone Service, you agree to transfer that telephone number from the Telstra Network to our Network. Your telephone number will be temporarily unavailable after Cutover. If, for any reason, your service is faulty after Service Activation you must lodge a fault us. The telephone number will only be available once any faults have been resolved.
- 6.10 Services associated with a telephone line that require a telephone line to operate (e.g. monitored alarms, fax, EFTPOS machines, etc) will not operate with the Naked DSL Service. It is your responsibility to ensure that alternative arrangements are made (if required) and we will not be liable to you in relation to the foregoing.
- 6.11 Your primary pay TV services will continue to operate when you move to a Naked DSL Service, however your pay TV service provider may utilise a telephone line for certain features such as purchasing box office movies and voting. It is your responsibility to check with your pay TV service provider as to what services will continue to be available when your telephone line is cancelled upon Cutover to the Naked DSL Service.
- 6.12 If you have a handset rental agreement with your telephone service provider you must return the handset to them under the terms of their service contract.

Applying for Naked DSL without an active phone line

- 6.13 You are required to be at the Premises where the Naked DSL Service is to be installed at the time of Cutover in case we or our contractors require access to the Premises when connecting the Naked DSL Service. If you are not at the Premises and the installer requires access to the Premises, then the Cutover will not proceed. A new date for Cutover can be arranged, however the cost for a new appointment is an additional \$109, plus there is a minimum 5 Business days waiting period for the new appointment. This is known as the Retarget Fee.
- 6.14 By purchasing the Naked DSL Service you agree to the provision of a new Communications Wire to be connected to our Network.

Moving from our On-Net ADSL2+ Broadband Service

- 6.15 Clauses 6.16 to 6.22 below do not apply to moving Services between different iiNet Entities.
- 6.16 You may request to change from an On-Net ADSL2+ Broadband Service that we supply to you to the Naked DSL Service.
- 6.17 The On-Net ADSL2+ Broadband Service must be cancelled from your Access Line prior to us providing the Naked DSL Service. We will remove the On-Net ADSL2+ Broadband Service from your Access Line. You will not have Broadband access from the time of Application until Service Activation which is an estimated period of 3 weeks; however events beyond our control may cause delays in Service Activation in some cases.
- 6.18 We are unable to pre-qualify the On-Net ADSL2+ Broadband Service for the Naked DSL Service. Therefore we do not guarantee that your Application will be successful when

you apply to change from the On-Net ADSL2+ Broadband Service to the Naked DSL Service.

- 6.19 If your Application for the Naked DSL Service is unsuccessful due to the Access Line not meeting the Full Service Qualification or for any other reason and you wish to revert to Off-Net (ADSL1 or ADSL2+) or On-Net ADSL2+ Broadband, you will be required to make a new Application for our ADSL2+ Broadband Service. This will be treated as a new Application; and will be subject to availability and standard connection fees will apply.
- 6.20 No Break Fees (for early termination of contract) apply on the On-Net ADSL2+ Broadband Service when you move from our On-Net ADSL2+ Broadband Service to the Naked DSL Service. As no Break Fees are being applied, any remaining Contract Term on the On-Net ADSL2+ Broadband Service will apply to the Naked DSL Service. Standard Setup Fees on the Naked DSL Service outlined in the Pricing Schedule will apply.
- 6.21 For example if you have 10 months remaining on a 24 month On-Net ADSL2+ Broadband Service when you move our On-Net ADSL2+ Broadband Service to the Naked DSL Service, no Break Fee will be applied and a 10 month Contract Term will be applied to your Naked DSL Service. If you select a new 24 month Contract Term on the Naked DSL Service, the Contract Term will be capped at 24 months.

No Break Fees (for early termination of contract) apply on the On-Net ADSL2+ Broadband Service when you move from our On-Net ADSL2+ Broadband Service to the Naked Home Value or Naked Business Value plan. However, a new 24 month Contract Term will commence when you move to the Naked Home Value or Naked Business Value plan and standard Setup Fees (and Break Fees if you cancel the Service during your new Contract Term) will apply to your new contract.

Moving from our Off-Net (ADSL1 or ADSL2+) Broadband Service

- 6.22 You may request to change from an Off-Net (ADSL1 or ADSL2+) Broadband Service that we supply to you to the Naked DSL Service.
- 6.23 Where you request to change from an Off-Net (ADSL1 or ADSL2+) Broadband Service to the Naked DSL Service we will use reasonable endeavours to connect you to the Naked DSL Service subject to clause 6.25
- 6.24 In most cases where an Off-Net (ADSL1 or ADSL2+) Broadband Service is connected to an exchange that is part of our Network, your Access Line will either be incompatible for On-Net ADSL2+ Broadband and therefore also incompatible for the Naked DSL Service or your Off-Net (ADSL1 or ADSL2+) Broadband Service will be scheduled as part of our program to migrate your Off-Net (ADSL1 or ADSL2+) Broadband Service to an On-Net ADSL2+ Broadband Service. We do this in order to provide you with access to high-speed ADSL2+ Broadband. Where your Off-Net (ADSL1 or ADSL2+) Broadband Service is scheduled for migration to an On-Net ADSL2+ Broadband Service, your Application for the Naked DSL Service will be unsuccessful.
- 6.25 If clause 6.25 applies, you can make a new Application to change your On-Net ADSL2+ Broadband Service to the Naked DSL Service.
- 6.26 The Off-Net (ADSL1 or ADSL2+) Broadband Service will be cancelled after Service Activation of the Naked DSL Service.

- 6.27 No Break Fees (for early termination of contract) apply on the Off-Net (ADSL1 or ADSL2+) Broadband Service when you move your Off-Net (ADSL1 or ADSL2+) Broadband Service to the Naked DSL Service. As no Break Fees are being applied, any remaining Contract Term of the Off-Net (ADSL1 or ADSL2+) Broadband Service will apply to the Naked DSL Service. Standard Setup Fees will apply to the Naked DSL Service as outlined in the Pricing Schedule.
- 6.28 For example if you have 10 months remaining on a 24 month Off-Net (ADSL1 or ADSL2+) Broadband Service when you move your Off-Net (ADSL1 or ADSL2+) Broadband Service to the Naked DSL Service, no Break Fee will be applied and a 10 month Contract Term will be applied to your Naked DSL Service. If you select a new 24 month contract Term on the Naked DSL Service, the Contract Term will be capped at 24 months.
- 6.29 No Break Fees (for early termination of contract) apply on the Off-Net (ADSL1 or ADSL2+) Broadband Service when you move from an Off-Net (ADSL1 or ADSL2+) Broadband Service to the Naked Home Value or Naked Business Value plan. However, a new 24 month Contract Term will commence when you move to the Naked Home Value or Naked Business Value plan and standard Setup Fees (and Break Fees if you cancel the Service during your new Contract Term) will apply to your new contract.
