Staff Redeployment impact service in Adelaide and Mount Lofty Ranges Districts of South Australia.

iiNet Group reference ID: 3950423

The iiNet Group (iiNet Ltd, Westnet Pty Ltd, AAPT Consumer Division, Internode Pty Ltd, TransACT Capital Communications Pty Ltd, Jiva Pty Ltd and Adam Internet Pty Ltd) is currently working to manage the impact to its network that has occurred as a result of Telstra wholesale staff being redeployed on or about **20 April 2015**.

Destructive winds, heavy rainfall, flash flooding, flood river warnings and abnormally high tides resulting from Ex-Tropical Cyclone Marcia have caused notable damage to the network in areas of coastal Queensland and parts of northern coastal New South Wales. Due to the extent and severity of these ongoing weather events, our wholesaler has redeployed staff from across Australia as referred to in Telstra Wholesales Mass Service Disruption Notification which can be found at <http://telstra.com.au/abouttelstra/commitments/mass-service-disruption/>. A copy of this notice will also be published in the **Adelaide Advertiser** on **22 April 2015**.

The iiNet Group is working closely with suppliers and wholesalers to assess and manage the impact to affected services in a timely manner. Customers in the Adelaide and Mount Lofty Ranges Districts of South Australia may experience service disruptions and delays to normal connection times and fault restoration as Telstra staff from this region are redeployed to the areas of coastal Queensland and parts of northern coastal New South Wales. For further detail on the relevant regions see the Telstra Wholesales Mass Service Disruption Notification which can be found at <http://telstra.com.au/abouttelstra/commitments/mass-service-disruption/>.

As these circumstances are outside the iiNet Group's control, iiNet is claiming an exemption under Section 21 of the Telecommunications (Customer Service Guarantee) Standard 2011 from the normal performance standards. The exemption shall apply from **20 April 2015** to **3 May 2015** inclusive. This date is indicative only; customers should anticipate that some further delays may occur.
