# Business Solutions

Our reseller products are focused on small and medium-sized businesses, ranging from NBN to VoIP phone systems. We also offer specialise products like VDSL2 and HFC in selected areas.

## BizPhone

We offer a range of VoIP and fixed line phone services, from mobile SIM plans to our BizPhone small business VoIP system. iiNet Business has everything your customers need to get their business talking.

As Australia's best value small business phone, BizPhone is a small business phone solution that won't dent your bottom line. Plans come with unlimited standard calls Australia-wide, heaps of savvy features such as voicemail to email and Hunt Group, and your choice of handset.

## Business NBN

Our Small Business nbn™ plans are packed with great value, fast speeds and priority business support. They are all on flexible contracts and come with competitive calls offers, extras such as multiple work mailboxes and Static IP address.

## Commission Schedule

iiNet Business offers competitive commissions for reseller sales across our range of business internet and phone services. Commission for activated services in a given month is paid the following month (mid-month). The amount of commission paid to the reseller will be based on the product sold to the customer.

Business Products/Plan	Commission
<b>Business NBN Bundles</b>	\$30 once-off payment*
<b>BizPhone</b>	10%^
<b>Business HFC (Cable) Bundles</b>	2 times monthly value of the connection/bundle plan
<b>Business VDSL2 Bundles</b>	2 times monthly value of the connection/bundle plan

Values above are GST inclusive. Commission is paid in an upfront form for connections signed over 24 month contract. Commission is not paid for hardware, call packs, special services and services not listed above. \*NBN commission is paid for any NBN Business connection (no lock-in contract and 24 month contract) ^BizPhone commissions are paid on a trailing basis.
